

Creighton School Division No. 111

Policy Name: Supervision of Students
Policy Type: Students
Number: 210
Date Approved: May 21, 2014
Legal Reference: *The Education Act, 1995: Section 175*

The Board of Education believes that a safe supervised environment must be provided for students during all school functions and activities.

Guidelines:

1. The principal shall establish regulations and procedures which ensure that students are adequately supervised when engaged in school authorized activities whether on school premises or elsewhere.

Policy Name: Supervision of Students
Number: 8090

ADMINISTRATIVE PROCEDURES

1. The principal shall arrange for the indoor and outdoor supervision of students each school day commencing in the morning at such time as is determined by the arrival of school buses and continuing throughout the school day including the two recesses, and the noon hour plus the after school period until such time as the students have departed for home via school bus, walking, or by some other means. A general supervision schedule shall be communicated to parents each school year.
2. The principal shall arrange for the supervision of bus students as per Board Policy: Principals and Student Transportation.
3. The principal shall arrange for supervision of students during authorized school activities conducted during out-of-school hours. These arrangements shall be approved by the Director of Education.
4. School administrators will:
 - a) Inform parents of school approved sport and other activities that will be supervised by teachers and/or adult staff other than teachers. Such other adult staff shall be given clear directions concerning established standards of care and approved procedures.
 - b) Include teachers as part of the supervisory team where outside agencies and organizations are involved.
5. Expectations: Supervision of Students by Non-Staff
It is appropriate for parents or other adults to supervise school-approved activities such as sport or other events in place of teachers on a selective basis provided that:
 - a) Parents are notified in advance that the activity will be supervised by non-teachers.
 - b) Such personnel are instructed on how to provide the same behavioral and organizational standards that teachers would provide.
 - c) Procedures relating to such items as fire safety, food handling, discipline, etc. are the same whether a teacher or a volunteer is involved in supervision.
 - d) Such personnel have adequate training and/or experience to properly supervise the designated activity as determined by the principal.
 - e) All volunteer parent supervisors have submitted a up-to-date criminal record check.
